BRIEF ABSTRACT OF LETTER.

submits his t.a bill for the month of August 1913, for countersignature and transmission to the Comptroller for audit

NOTES AND ORDERS.

A draft forwarding the bill to the Comptroller for audit is put up

2 The bill requires the Countersignature of the Secretary Submitted. It is not clear why the Regr could not touch Tumkur on his way back to Bangalore from Arsikere instead of going to Tum

later on in the same month. It is not also clear whether this requires the countersignature of the General Secretary or of the Secretary, Dept of Industries Education & Agriculture. As no specific orders have been issued on the subject it is presumed that the bill will have to be countersigned by the Genl Secy as usual

3 It may be that the Dept had no work to do at Tumkur on the 6th & the Area journey there not meant there on the 2nd the Dept raised & the Price is however noted as the State could have saved paying Rs. for another journey and for Effect the Prices like as careful of Interests as they are of their own and the objection raised perhaps not been raised at all if the Dept had planned the Spl Necessity for going to Tumkur subsequently instead of taking it on the way back to Bangalore from Hassan. Re points in the same line of march should be taken together unless there was any absolute necessity to do otherwise. The bill may be objected with the observation that for Effect the Dept Make all points on the line of march at one time

Hardly in this case!
